

Tactical Management System™ Overview

Real-world training and executive support for when the
drama hits your desk.

BEKMARTIN

The Tactical Management System™

A repeatable, results-driven framework for developing confident, consistent managers.

Whether you need a quick diagnostic, hands-on training, or embedded leadership support — we meet you where you are.

TMS™ Tiers

Tier 1: Manager Risk Scan + Briefing

\$FREE

- Free PDF snapshot based on team assessment
- Optional 15-min consult (perfect starting point for HR, Executives, or Chiefs of Staff)
- Custom red flag report and recommendations

Best for: HR leaders, Chiefs of Staff, or small orgs wanting clarity

Tier 2: Tactical Management Bootcamp

\$7,500-\$15,000+

- Choose your format:
 - Virtual Bootcamp (3x 90-min sessions)
 - On-Site Intensive (1-2 days)
 - Executive Retreat (Coming Soon)
- Includes Tactical Manager Playbook™
- Live tactical training and coaching options

Best for: Teams needing a fast reset or practical skills

Tier 3: Implementation + Executive Retainer

\$15,000-\$25,000+

- Ongoing support to embed management systems, restructure workflows, and coach leadership teams
- Includes check-ins, tools, and accountability systems

Best for: Growing orgs, new executives, or system overhauls

The 5 Pillars of the Tactical Management System™

1

Pillar 1: Establish Command

Claim your authority and lead with clarity.

2

Pillar 2: Set the Stage for Execution

Build a system your team can thrive in.

3

Pillar 3: Build Operational Discipline

Manage outcomes, not noise.

4

Pillar 4: Lead Through Complexity

Navigate people problems with emotional intelligence.

5

Pillar 5: Lock It In and Scale

Build culture and systems that outlast you.

Who This is For

- ✓ New or overwhelmed managers
- ✓ Mid-level leaders who need structure
- ✓ HR & Operations execs building consistency
- ✓ Founders/CEOs preparing to scale or delegate
- ✓ Organizations dealing with:
 - Turnover
